

Anchor Bay Packaging Corporation Recognized as a 2026 Ford Supplier of the Year at the Ford Supplier Awards & Summit!

[Dearborn, Mich] — June 23, 2026 — Anchor Bay Packaging Corporation has been recognized as a winner at the 2026 Ford Supplier Awards & Summit. Anchor Bay Packaging Corporation was named a 2026 Ford Supplier of the Year in the Indirect Services Excellence category by Ford Motor Company, honoring its outstanding performance, dedication, and collaboration during the 2025 fiscal year.

"Our customers are at the center of everything we do, and we are incredibly proud to receive this recognition from Ford," said Chris Hastings, COO of Anchor Bay Packaging Corporation.

This recognition reflects a collective effort across Anchor Bay Packaging Corporation's operations, engineering, and frontline teams working together to deliver excellence to a leading global automaker.

"The Ford Supplier Awards & Summit is a key moment where we celebrate the vital companies we work with every day, who help us deliver iconic vehicles and services to customers," said Liz Door, Chief Supply Chain Officer, Ford Motor Company. "We are so proud of the momentum underway at Ford and with our suppliers to find new ways to collaborate and unlock efficiencies. We are committed to building stronger and closer relationships so we can compete to win together."

Anchor Bay Packaging Corporation was formally recognized at Ford's supplier event in Detroit, Mich., where representatives from both companies came together to celebrate the achievement.

Anchor Bay Packaging specializes in the manufacturing and sale of corrugated packaging products primarily to the automotive industry throughout the global market. The heart of the company's strategy is our market leadership in engineering, research, and design of its products. Anchor Bay Packaging engineers are highly experienced and work with state-of-the-art equipment to solve demanding packaging problems for our customers. These fundamental business strategies have resulted in sustainable growth for over 40 years. In short, this approach leaves Anchor Bay Packaging uniquely positioned as a leader in the industry.

The Ford Supplier Awards & Summit recognizes top-performing global suppliers who exceed Ford's expectations in quality, delivery, cost, and innovation. The annual awards honor suppliers who align closely with Ford's core values, drive technological advancement, and demonstrate supply chain resilience in support of Ford's global vehicle portfolio. As part of its commitment to building strong, transparent, and collaborative relationships with its supply base, Ford achieved the largest year-over-year improvement among major North American automakers in the 2026 Plante Moran Working Relations Index® (WRI®) Study, reflecting its ongoing efforts to enhance open communication, accessibility, and proactive problem-solving with its suppliers.
